SO: Special order

**\*Rolled Tea:** Rolled Moringa leaves are produced when withered tea leaves are rolled and allowed to oxidize. This process darkens the leaf and develops the body, color and flavor of the tea.

Shining Seas Imports, LLC is a direct importer and supplier of bulk botanical ingredients to the Nutraceutical, Tea, Food, Beverage and Natural Cosmetic industries in North America. The range of ingredients are sourced direct through exclusive partnerships with our suppliers at origin. These partnerships allow SSI to offer the highest quality ingredients, 100% traceability & transparency, 3rd party testing, competitive pricing and product available on demand. All ingredients pass strict quality assurance to ensure the highest quality, including testing for heavy metals, botanical identity, microbiological, pesticides and chemicals. Stock products are available for same day shipment, or within 24 to 48 hours from receipt of order, from the warehouse in Long Beach, CA.
